The Greek economy and its global partners: A conversation with Greek Finance Minister Yanis Varoufakis

(Transcript Excerpt of YouTube video <https://youtu.be/352bLwFp3pg>):

Varoufakis: “We shall endeavor to come to reforms along the lines that I mentioned on privatization and pensions and, and at the same time to make a commitment that is cast in stone, iron, even, you know, penned in our own blood, in order to increase capability that we shall never slip again into primary deficit.”
